

ERM/ORSA n-actuarial at MELTDOWN Party

Raymond spoke challenges & strategies about ERM & ORSA framework & its implementation. Attendees from the Thailand insurance industry participated actively.

Key takeaways:

- **ORSA Implementation** – Requires a holistic approach, takes 7 to 9 months, a continually improving process. Small and middle size companies would find this particularly challenging.
- **Learn by winning** – A MELTDOWN challenge for the participants to learn and apply risk management theory effectively through winning.
