## Actuarial Analyst

We have openings for candidates with experience as well as fresh graduates. We are seeking for interested and suitable candidates to join us. Send your application by filling up this [form](#), and we shall get in touch with you shortly.

### Key Features:

- Flexible time, remote working arrangement with biweekly onsite commitment
- Variety of international work and international travel
- Eagerness to gain more hands-on actuarial experience
- Rotate between client projects with onsite placements, working alongside the clients' actuarial departments, as well as other stakeholders.
- 60 hours commitment per week including studying towards professional actuarial qualifications
- Initial immersion programme to gain broad understanding of the business

### Your Benefits:

- Perform challenging tasks to support our actuarial work and general business initiatives
- Work closely with our team of highly qualified professionals with vast global experience
- Develop your technical knowledge in actuarial work as well as practical skills such as handling database, spreadsheet, presentation slides and reports
- Develop your business acumen and soft skills including time management, communication skills and people skills
- Support for professional actuarial exams

### Eligibility Requirements:

- You are a national of an ASEAN country
- You want to be an actuary and have made significant progress in actuarial examinations
- You have an actuarial internship experience
- You have strong people and communication skills
- You are highly proficient in English (minimum IELTS overall band score 7.0 or equivalent)
- You share our values – Can Do, Progressive, Open Communication & Professionalism

### About Us

Nicholas Actuarial Solutions is an actuarial firm founded in 2015. We are the first and only actuarial firm awarded MSC Malaysia status by the Malaysian Government, a mark of world-class service and achievement. In 2019 we were awarded Top Actuarial Firm in Asia by Asia Captive Review and in 2020 we received Quality Assurance Scheme accreditation from the Institute and Faculty of Actuaries (UK).
